- (e) Office supplies and office equipment (e.g., copiers, fax machines) shall not be used for personal projects.
- (f) All District policies must be followed while engaged in the personal project.
- (g) work on personal projects shall not occur during hard work hours.

- (a) Any project for which someone other than the District is compensating the member.
- (b) Any project that has no association to the District and/or the fire service.
